GATES NURSERY

Rapid City, South Dakota

Telephone 3705

It's Not A Home Until It's Planted

TO FRIENDS AND CUSTOMERS

We have sold our real-estate and expect to discontinue the growing of Nursery stock. We have a considerable supply of stock on hand to be removed before May first from the Nursery, consequently we are offering all trees and shrubs at from 20 to 50% discount from last year. As an additional inducement to our customers we are giving a 5% discount on cash orders received before April first, where order amounts to \$10.00 or more and a 10% discount on orders that amount to \$25.00 or more when received before April first.

We expect to continue doing free Landscape service and where such service is desired or where you wish to discuss or place your orders personally, please call Tel. No. as indicated on first page of Price List. During the month of April you may call at the Nursery and pick-up your nursery stock if desired. Use west entrance only, which will be marked for your convenience as this will not interfere with the present owners of the real estate, who live in the N. East corner of section. There will be an attendant who will take care of your needs.

DELIVERY

Orders that are mailed in, or given to our representative will be shipped or delivered at the proper time. Nursery stock delivered, free of charge, if within a radius of 100 miles from Rapid City, except on balled and burlapped stock, which may also be delivered free, where a sufficient quantity is ordered.

GUARANTEE

Complaints about nursery stock must be submitted within a period of ten days after receiving stock. Any adjustment, relative to dead or injured stock, must be returned to the nursery for inspection. Complete instructions given with each order on planting and care of stock purchased.

PLANTING

We will do a certain amount of planting, where purchaser lives within or around Rapid City. Cost of planting will run around 50% above cost of nursery stock except on hedges, which will run about 10 cents or more per running foot; top dirt or fertilizer additional. Lawn work will not be started until after the first of May and into June. which are the best months for starting lawns. We will be glad to give you estimates on lawn work.

Sincerely,

E. A. GATES

SHADE TREES

We have the following varieties shade trees of our own growing for you to choose from. We will be glad to advise you if you are undecided as to what would be suited for your needs.

Prices for above shrubs, medium to large size;
\$1.00 each or \$10.00 doz. any assortment.

SHRUBS FOR HEDGING AND WINDBREAKS

When planting for a hedge the plants should be spaced 12-18 in. apart or closer to make a good compact planting. For windbreaks the plants should be spaced farther apart, of course. A hedge can be used to advantage in many places, as a frame for dwellings, as a background or as a screen for an unsightly spot or view. We send out instructions for planting and care of hedges and all Nursery stock purchased.

BUCKTHORN—Dark green foliage. Black berries in fall.

Price: 12-24 in. 20c. \$15.00 per 100.

CARGANIA ARBORESCENS—Sib. Pea Tree—Light green foliage. Yellow flowers.

Price: 6-12 in. \$3.00 per 100.

12-24 in. \$5.00 per 100.
